

## Announcement of seminar - Monday 24th of January at 1pm

We are pleased to announce the first seminar of ProteinLorraine this year.

**Dominique Mias-Lucquin**, post-doc in the Capsid team at LORIA (UL, CNRS, INRIA) will present his work entitled:  
« Molecular modelisation and integration of experimental data for structural studies - example of the relaxase RelSt3 »

Seminar will be given online on Monday 24<sup>th</sup> of January @ 1pm.
