

# SASH HONAP

**IBD Research Fellow**

**St George's University Hospital, London, UK**

Dr Honap is a UK-based gastroenterologist appointed at St George's University Hospital – a large academic centre based in Tooting, South West London. He completed his initial postgraduate medical training in Birmingham before transferring to London to complete his higher specialist training in gastroenterology. He has a sub-specialty clinical and academic interest in inflammatory bowel disease and is completing a six-month fellowship at IHU Infiny.

# SOPHIE VIEUJEAN

**Clinical researcher in IBD**

**CHU of Liège, Belgium**

Dr Vieujean is a gastroenterologist appointed at CHU of Liège in Belgium. After her PhD on "intestinal fibrosis in Crohn's disease", she worked for 7 months at CHRU of Nancy in France, and then performed a post-doctorate at the University of Cambridge, United Kingdom. She is involved in clinical and translational research in inflammatory bowel diseases and is completing a one-year fellowship at IHU Infiny.
