

Nature Masterclasses

Agenda and Objectives

By the end of today, you should understand:

- How to get the most out of the writing process
- Editorial processes and how to work with them
- What it takes to get published in top-ranked journals

Day 1

09:00 Welcome and Introductions – 30min

09:30 What Makes a Great Paper? – 45 min

Example of what top tier journal editors look for in a manuscript

10:15 Practical Exercise 1: You're the Editor – 30 min

10:45 Figure Presentation – 30 min

An interactive module on designing clear and informative figures and tables

11:15 Break

11:30 Elements of Writing Style – 30 min

The golden rules of writing and structuring the text in your paper

12:00 Titles and Abstracts – 30 min

How to create an engaging and brief Title and Abstract

12:30 Practical Exercise 2: Writing a Title – 15 min

12:45 Lunch
